The Way from Foil & Clay to Art! We will do armature sculptures this year using clay with foil, masking tape and flexible wire. These will be painted with acrylics. The last day of the camp would be for building a playful world. • Jodi Miller

Visual Stories - Journals and Murals

Over the course of the week each class will collectively develop ideas and imagery for a collaborative mural that will be painted on canvas. Children will collect their drawing and painting sketches and design ideas for the mural in a handmade journal - a visual storytelling memory of the class! The final canvas murals will be displayed publicly in a local venue. • Shelly Korte
